Gesr El-Suez, Cairo, Egypt, Cairo,
Egypt • 01064835850

nm261897@gmail.com

Creative and detail-oriented designer with a passion for transforming ideas into simple and visually engaging concepts. Focused on developing skills in fashion and visual design through continuous learning and hands-on practice.

With a growing interest in graphic design. I enjoy creating clean and effective visuals that communicate ideas clearly and attractively.

Profile

Graphic Designer with hands-on experience in visual content creation across digital media, branding, and production environments. Skilled in developing creative concepts from brief to execution, with a strong focus on storytelling, composition, and audience engagement. Experienced in working within fast-paced teams as well as handling freelance projects independently. Background in fashion design and pattern making adds a strong understanding of structure, aesthetics, and detail in visual work.

Accomplishments

- Completed several personal design projects in fashion and graphic design as part of learning and practice.
- Developed basic experience in creating visual designs for social media and simple branding ideas.
- Practiced using design tools to improve skills in layout, color selection, and visual presentation.
- Gained early experience in turning ideas into simple visual concepts and designs.
- Continuously learning and improving design skills through practice and small projects.

Professional Experience

Pictures Studios Film, Cairo, Sept 2025 to Apr 2026

Graphic designer

- Designed a creative company profile based on a redefined brief to enhance originality and present the brand from a fresh perspective
- Generated high-quality AI-based images and videos aligned with storyboard concepts for use in advertising campaigns
- Collaborated with the production team to support visual development of scenes using AI tools and creative direction
- Contributed to a TV commercial through graphic design assets and AI-generated video content
- Translated storytelling concepts into visually engaging designs that supported narrative and brand messaging
- Assisted in developing innovative visual solutions under tight deadlines within a fast-paced production environment
- Adapted design approaches across different media formats, including digital, video, and promotional materials

Freelance, cairo , Mar 2025

Graphic designer

- Designed social media posts, branding materials, and promotional visuals for different clients
- Worked directly with clients to understand their needs and turn ideas into clear, effective designs
- Adjusted styles based on each brand and target audience
- Handled more than one project at the same time and delivered on time
- Took feedback and made revisions until reaching the final result
- Focused on creating designs that are visually appealing and suitable for each platform
